General Information

Certifications are an important way for our Tivoli users and business partners to distinguish their expertise and earn recognition from IBM for the investment they have made in Tivoli skills. The Tivoli Certification Program has agreed to allow TUG members to take Tivoli Certification exams free of charge at the NYMTUG meeting on November 19, 2008, as a benefit for participating at this meeting. Please visit the TUG web site for more details regarding Tivoli Certification:

http://www.tivoli-ug.org/cert_zone.php

For more information and to register for a meeting, please visit the TUG website: <http://www.tivoli-ug.org/>
